

# Safety Data Sheet

## ProVis XP

Last Revised Jan '22

Supersedes  
Version

### Section 1. Product and Company Identification

|                         |   |
|-------------------------|---|
| Product ID/Product Name | ProVis XP   |
| Recommended Use         | Viscosity Enhancer  |
| Supplier Information    | ProAction Fluids<br>3090 Stage Coach Rd<br>Keithville, LA. 71047. |
| In case of emergency    | (866)-290-5029  |

### Section 2. Hazards Identification

| GHS Classification        |   |                          |  |
|---------------------------|---|--------------------------|--|
| Health Hazards            |   | Physical Hazards         |  |
| Acute Toxicity            | Category 4  | Flammability             | Not flammable                                    |
| Skin Corrosion/Irritation | Category 3  |                          |  |
| Skin Sensitizer           | Category 1  |                          |  |
| Eye Damage/Eye Irritation | Category 1  |                          |  |
| GHS Labels:               |  | Singal Word:             | WHMIS Classification:                            |
|                           |   | Warning                  |  |
| Hazard Statements         |   | Precautionary Statements |  |
| H317                      | May cause an allergic reaction  | P261                     | Avoid breathing dust/fume/gas/mist               |
| H318                      | Causes serious eye damage   | P272                     | Contaminated clothing should not leave workplace |
|                           |   | P280                     | Wear eye protection/face protection              |
|                           |   | P280                     | Wear protective gloves                           |

### Section 3. Composition / Information on Ingredients

| Ingredient(s) | CAS # | EINECS # | Concentration % |
|---------------|-------|----------|-----------------|
| Trade Secret  | -     | -        | 100.00%         |
|               |       |          |                 |
|               |       |          |                 |

Comments:

### Section 4. First Aid Measures

|              |   |
|--------------|---|
| Eye Contact  | Rinse immediately with plenty of water, also under eyelids, for at least 15 minutes. Seek medical attention |
| Skin Contact | Take off contaminated clothing immediately. Wash off with plenty of water                                   |
| Inhalation   | Move to fresh air. If symptoms persist, call a physician  |
| Ingestion    | Do NOT induce comiting. Rinse mouth with water. Seek medical advice   |

### Section 5. Firefighting Measures

|                                      |   |
|--------------------------------------|---|
| Suitable Extinguishing Media         | Carbon Dioxide, multipurpose powders, foam, water spray                               |
| Unsuitable Extinguishing Media       | High volume water jet   |
| Hazards Arising From The Chemical    | Carbon oxides, Nitrogen oxides, Sulfur oxides   |
| Protective Actions For Fire-Fighters | Should wear approved self-contained breathing apparatus and full protective clothing. |

| Section 6. Accidental Release Measures             |  |
|--|--|
| Personal Precautions And Protective Equipment      | Avoid contact with skin and eyes. Keep away from flames and sparks. Remove all sources of ignition.  |
| Environmental Precautions                          | Do not let enter drains. Do not flush into surface water or sewer system   |
| Methods And Materials for Containment and Clean Up | Keep in properly labeled containers, and in suitable, closed containers for disposal. Contain spillage and soak up with non-combustable absorbant material |

| Section 7. Handling and Storage |   |
|---------------------------------|---|
| Handling Precautions            | Handle in accordance with good industrial hygiene and safety practice             |
| Storage Conditions              | Take measures to avoid accidental discharge of products into drains and waterways |

| Section 8. Exposure Controls / Personal Protection |  |       |                |
|--|--|-------|----------------|
| Occupational Exposure Limit(s)                     | Ingredient   | CAS # | Exposure Limit |
|  |  |       |                |
| Engineering Controls                               | Effective exhaust ventilation system. Avoid splashes   |       |                |
| Personal Protection Measures                       | When respirators are required, select NIOSH/MSHA approved equipment. Wear appropriate PPE for the job. |       |                |

| Section 9. Physical and Chemical Properties |                         |                           |                         |
|---|-------------------------|---------------------------|-------------------------|
| Physical State                              | Powder                  | Flammability              | N/A                     |
| Colour                                      | White-Orange            | Flammability LEL/UEL      | N/A                     |
| Odour                                       | Odorless                | Viscosity @ 25°C (mPas)   | 5000-10000, 4% solution |
| Odour Threshold                             | N/A                     | Vapour Pressure (@ 25°C)  | N/A                     |
| pH  | 7.0-7.5 (1% solubility) | Vapour Density [Air = 1]  | N/A                     |
| Melting Point (°C/°F)                       | N/A                     | Density (kg/dm3)          | 1.6                     |
| Freezing Point (°C/°F)                      | N/A                     | Solubility in water (%)   | N/A                     |
| Boiling Point (°C/°F)                       | N/A                     | Auto-Ignition Temperature | N/A                     |
| Flash Point (°C/°F)                         | N/A                     | Decomposition Temperature | ~240                    |
| Specific Gravity @ 25°C                     | N/A                     | (Other)                   | N/A                     |

| Section 10. Stability and Reactivity |   |
|--------------------------------------|---|
| Chemical Reactivity/Stability        | Stable at normal ambient temperature and pressure   |
| Conditions to Avoid                  | Keep away from heat and sources of ignition         |
| Incompatible Materials               | Strong acids, bases, oxidizing, and reducing agents |
| Hazardous Decomposition Products     | Carbon oxides, Nitrogen oxides, Sulfur oxides       |

| Section 11. Toxicological Information                             |                                |                                |
|---|--------------------------------|--------------------------------|
| Likely Routes of Exposure   | Ingestion and skin contact     |                                |
|   | Acute Symptoms / Effects       | Chronic Symptoms / Effects     |
| Eye Contact   | Risk of serious damage to eyes | Risk of serious damage to eyes |
| Skin Contact  | N/A                            | N/A                            |
| Inhalation  | N/A                            | N/A                            |
| Ingestion   | N/A                            | N/A                            |
| Germ Cell Mutagenicity/Carcinogenicity/Reproductive Toxicity/STOT | N/A                            |                                |
|   | Ingredient                     | Numerical Measures of Toxicity |
|   | -                              | -                              |
|   | -                              | -                              |

## Section 12. Ecological Information

|                           |     |
|---------------------------|-----|
| Toxicity                  | N/A |
| Persistence/Degradability | N/A |
| Mobility in Soil          | N/A |
| Bioaccumulative Potential | N/A |

## Section 13. Waste Disposal Considerations

Follow all local and national waste management regulations. Consult your local waste authorities for information.

## Section 14. Transport Information

| IATA/IMDG                  |               | U.S. D.O.T. (Bulk Transport) |               |
|----------------------------|---------------|------------------------------|---------------|
| UN Number                  | Not Regulated | UN Number                    | Not Regulated |
| UN Proper Shipping Name    | Not Regulated | UN Proper Shipping Name      | Not Regulated |
| Hazard Class/Packing Group | Not Regulated | Hazard Class/Packing Group   | Not Regulated |
| E.R.G. Number              | Not Regulated | E.R.G. Number                | Not Regulated |
| Special Precautions        | N/A           |                              |               |

## Section 15. Regulatory Information

| Precautionary Label Information |      |      |              |                                 |                |                                    |
|---------------------------------|------|------|--------------|---------------------------------|----------------|------------------------------------|
|                                 | HMIS | NFPA | Risk Phrases |                                 | Safety Phrases |                                    |
| Health                          | 1    | 1    | R20          | Harmful by inhalation           | S16            | Keep away from sources of ignition |
| Flammability                    | 1    | 1    | R22          | Harmful if swallowed            | S15            | Keep away from heat                |
| Reactivity                      | 0    | 0    | R38          | Irritating to skin              | S23            | Do not breathe gas/fumes           |
| Protection                      | B    | B    | R65          | Ingestion may cause lung damage | S25            | Avoid contact with eyes            |
| Hazard Symbol(s)                |      |      |              |                                 | S29            | Do not empty into drains           |
| N/A                             |      |      |              |                                 |                |                                    |

## Section 16. Other Information

| Specification Information                 |  |
|---|--|
| Department/Person Responsible for Content | PAF O&G  |
| Email Address                             | <a href="mailto:info@proactionfluids.com">info@proactionfluids.com</a> |
| Training Required for Use of Product      | None   |
| Intended Use of Product                   | HDD Fluid Loss   |
| Reason for last reissue of SDS            | Air/Sea Transport regulation updated                                   |
